4. CONDITIONS FOR PARTICIPATION

- 4.1. The following drivers are allowed to take part in the event:
- with LAF issued PRO/STREET/SEMI PRO drift licence.
 - with the ASN of their country issued PRO/STREET/SEMI PRO drift licence.
- 4.2. Drivers are allowed to take part in the event with any rear-wheel drive car that conforms to the corresponding class rules as stated in the LAF Technical commission prepared technical regulations for each class for 2019, where
- for STREET and SEMI PRO class cups the driver's car has to meet the technical regulations specific for the class of his/her country.
- 4.3. Full-year licence holders are forbidden from competing in:
- other events, taking place in Latvia or internationally, if they are on the same date as a Latvian Drift Championship or Cup event,

- local events not sanctioned by LAF,
- international events not sanctioned by the federation or ASN of the country, where the event takes place.

A violation of this rule will result in a cancellation of all the violator's results in the season standings. Exceptions are possible in special cases, if the driver contacts the drift workgroup beforehand and informs about taking part in an international event, where this particular driver is battling for a top three position in the championship standings.

Anti-doping restrictions

- 4.4. During the event, the driver is not allowed to be under the influence of alcohol, drugs or any other intoxicating substances. The driver must not have any health issues that affect his/her ability to drive.
- 4.5. A violation of this rule will result in exclusion or disqualification from the event with cancellation of any points that already have been received during the event and the cancellation of the drivers drift licence.
- 4.6. According to the World Anti-Doping Code and FIA rules, it is allowed to have Alcohol and doping control procedure during the event. Alcohol control can be done by the event organizer, using a breathalyser. The breathalyser limit is 0. If the breathalyser test shows alcohol content in drivers exhale, the driver is excluded or disqualified from the event according to point 4.5.

5. INSURANCE

- 5.1. Compulsory car insurance and CASCO car insurance do not apply during the event.
- 5.2. The organizer's liability is insured in accordance with the Cabinet of Ministers of the Republic of Latvia regulation No. 298 "Par publisku pasākuma organizatora civiltiesiskās atbildības obligāto apdrošināšanu".

6. TECHNICAL SCRUTINEERING

- 6.1. Each driver's race car must arrive to the technical scrutineering taking place in the track territory. The technical scrutineering working hours are listed in the timetable of the event.
- 6.2. A technical card, received during the administrative check, must be presented during the technical scrutineering, where the Chief scrutineer marks if the race car is allowed to take part in the event.
- 6.3. During the administrative check received official stickers - Start numbers, drift emblems and the mandatory organizers advertisements - must be put on the car in the layout shown on the official sticker layout guide available in the secretariat before the technical scrutineering.
- 6.4. Driver's safety equipment is checked during the technical scrutineering. The scrutineers have rights to check the driver's safety equipment at any point during the event.

7. PRACTICE

- 7.1. Practice time is listed in the timetable of the event. The process of the practice will be defined in the drivers briefing.
- 7.2. On the day of the event each driver must do at least the minimum number of practice runs defined at the drivers briefing.
- 7.3. It is strictly forbidden to have passengers in the race car during the practice on the day of the event (unless the organizer and chief steward, after a request from the driver, have allowed to bring a passenger on the practice runs).

8. DRIFT COMPETITION

- 8.1. The drift competition in each class consists of 2 parts:
 - Qualification runs
 - Tandem or elimination runs
- 8.2. The start for each car, both for qualification and tandem runs, is given by the start line judge at the end of the start zone, who will show the green flag, moving it in a downward fashion from a height of the top of his/her head. This should be seen as a start signal.

Qualification runs

- 8.3. The qualification runs are done in start number order, with the smallest number going first. Once everyone has completed the first run, the second run begins.
- 8.4. Drivers must be aware, when they have to go to their qualifying runs, otherwise drivers will get a score of zero if they don't take part in their run.
- 8.5. If the driver is unable to take part in a qualification run, it is necessary to communicate the issue with the competitor relations officer in advance, so that a decision, whether the driver can be moved to the end of the particular qualification run, can be made. If the competitor relations officer is not warned that the driver is not able to attend in the qualification run, the driver will be given a score of 0 (zero) for the particular run.

Tandem or elimination runs

- 8.6. Based on the best qualification run, TOP 16 or TOP 32 drivers for each class will qualify for the tandem runs according to the tandem tree defined in:
 - the Latvian Drift Cup 2019 regulations for STREET and SEMI PRO drivers
- 8.7. If the number of drivers is insufficient, the Chief steward can make a decision to have TOP 8 or TOP 4.
- 8.8. In each class tandem or elimination runs drivers are split into pairs, with each pair doing two runs, where one driver being the leader (the driver in front) on the first run, and the other driver - leading

the second run. The best driver of the pair, as evaluated by the judges after both runs, moves to the next round.

- 8.9. Tandem runs are judged by the Judging principles described in an appendix to the Drift event regulations.

Drivers briefings

- 8.10. Drivers briefings are mandatory for all drivers. Drivers must be aware, when they have to participate in drivers briefing based on the timetable of the event. Penalty for violating this rule – prohibition to participate in the competition. This prohibition is given to drivers, who do not attend the briefing after receiving the invitation from competitor relations officer.
- 8.11. A driver, who has missed the drivers briefing, cannot write a protest about any judges' decision for the particular event.
- 8.12. Individual briefing for a driver, who has not attended the drivers briefing – 50 EUR.

Official opening ceremony

- 8.13. Taking part in the parade during the official opening ceremony is mandatory. A violation of this rule will result in a 50 EUR fine. The driver is allowed not to participate in the parade only if the race car has a technical issue, making it impossible to take part in the parade, but this must be communicated to the competitors relations officer in advance.
- 8.14. During the parade, the driver is allowed to drift only when the commentator has announced the name and number of the driver, unless the organizer has defined that no burnouts are allowed. Each driver has up to 15 seconds to do his/her burnout during the parade.
- 8.15. During the parade, the drivers take full responsibility for their passengers and the safety of their team.

9. DRIVERS RESPONSIBILITIES

- 9.1. During the event, it is not allowed for drivers to drift outside the track on the track territory.
- 9.2. During the event, it is **strictly forbidden** to drift on the way to the starting zone or after the finish. The first offense will be fined with up to 100 EUR, but after the second offense the drift workgroup will look into this incident to decide whether this was unsportsmanlike behaviour.
- 9.3. Doing a standing burnout is strictly forbidden.
- 9.4. Drivers are not allowed to drift outside their runs, in the following exceptions:
- For up to 10 seconds after his/her tandem run results are announced on his/her choice.
 - After the announcement of the winner of the final battle, both drivers on their choice have additional time to do a burnout until their tires give out. If the track layout allows, other drivers are welcome to join in. In the drivers briefing drivers will be informed about the drifting rules after the final battle.

- 9.5. **During the event, each driver is fully responsible for their actions on the track and for the safety of themselves and others.**
- 9.6. During the event, on the track territory leading from the service park to the start zone, a driver takes full responsibility of any accidents with people, who might be on the track. It is suggested to drive no faster than 50 km/h from the service park to the start zone. If driver is caught with faster speed or drifting from the service park to the start zone, drift organizer can put penalty- 50 eur.
- 9.7. During the event, it is suggested to use radio communication between the driver and team representative by choosing a frequency that is not used by the event organizers, security and stewards.
- 9.8. The following actions of the driver will be treated as unsportsmanlike behaviour and disrespect towards drifting in general and will result in a fine of up to 500 EUR and/or exclusion from the event:
- any aggression or public displays of discontent about decisions made by the judges and stewards,
 - any gesturing towards the stewards or judges,
 - delaying of the event,
 - any intervention and disturbing of the work of judges and stewards,
 - any attempting to persuade the judges/stewards to change their decision towards the specific driver.

Conditions for safety

- 9.9. During the the practise, qualification and tandem runs drivers must meet the following safety rules:
- drivers must be strapped in with harnesses. Penalty for violating this rule – prohibition to participate in the run.
 - drivers must have put on a helmet with the buckle closed. Penalty for violating this rule – prohibition to participate in the run.
 - only the driver can be in the car (unless, after a request from the driver, the organizer and chief steward have allowed to bring a passenger in the car during the practice runs).
 - Drivers suit must comply with the rules described in technical regulations of each class.

10. SERVICE PARK

- 10.1. The service park will be located in the track territory, where only the race car and service car are allowed to enter.
- 10.2. The maximum allowed speed in the service park is 5 km/h. For the first time, speeding can be punished with a warning or a fine, but if any driver or drivers representative violates this rule with the race and/or service car repeatedly, they will not be allowed to enter the service park during the next event.

- 10.3. Repairs, refuelling and tire changes are allowed only in the service park.
- 10.4. The driver and his/her team are responsible for following to the work safety and fire safety rules.
