MEDIA MAP

ABOUT OTHER ZONES, OR TO BE SURE, JUST DROP PICTURE AND ASK MAYBE THERE, CAN I BE THERE IN CHAT, BUT ALWAYS ASK BEFORE GO THERE 😊 NOT FROM THERE 😊

MEDIA RULES

All Media Personnel Must:

- Be at least **18 years of age**
 - Have **valid insurance**
 - Wear a **LATVIA DRIFT high-visibility vest** at all times when trackside:
 - Bring your own vest WITH NUMBER, **or**
 - Obtain one at the entrance with a **€20 deposit** (purple LATVIA DRIFT vest)
 - Be **registered and approved** as media for the event, including signing the **liability waiver** before entering the venue
 - Have **read and agreed to the Latvia Drift media rules**, and follow them throughout the event
-  **Full media rules:**
<https://www.driftlatvia.com/medijiem/>

Media Safety Rules & Conduct

- Media **must remain within designated media safe zones** as marked on the event track map. Straying outside these zones is strictly prohibited.

-  **No crossing the track** unless **explicitly authorized by a marshal**.

-  **Marshal instructions are final**. A marshal can overrule any written rule if safety requires it. Arguing with marshals will not be tolerated and **may result in immediate removal** from the venue and a **ban from future Latvia Drift events**.

-  If a **WhatsApp notification** is issued indicating a restricted or prohibited area, you **must comply immediately**. If you are already in the area at that time, you are required to **leave as soon as it is safe** to do so.

Please Read Carefully

- **Do not touch or remove cameras** mounted on drift cars, as these may belong to another accredited media. These devices are the responsibility of their respective owners, who will retrieve them after the session. There's no need to lock or relocate them.
 - In case a camera accidentally **falls off near you on the track**, please handle it with care and bring it to the **media center**.
 - If you notice a media crew **conducting an interview**, please **do not interrupt** or linger nearby. Respect their work by walking around and avoiding background interference.
-  **Mounting GoPros or any other cameras on driver helmets is strictly prohibited** due to safety regulations and competition rules. All camera setups must be approved and securely mounted on the vehicle only.

 Important Safety Notice – INSIDE THE TRACK CIRCLES

 It is strictly forbidden to enter or be inside the track area at any time IN FRIDAY FIRST PRACTICE SESSIONS, also there will be separate info how many people can go inside the track, and which persons can go inside there.

!! Any violation of this rule will result in **immediate loss of media accreditation** — no exceptions. WE NEED THAT IN START DRIVERS LEARN THE TRACK, UNDERSTAND THE SPEED, AND THEN WE CAN ALLOW MEDIA TO GO INSIDE THE TRACK!

Your safety and the safety of the drivers come first. Please respect all boundaries and access rules at all times.

YOU NEED TO KNOW THAT

Additional Safety & Conduct Guidelines for Media

- **No sitting, lying down, or kneeling** (both knees) at any time while the track is live. This poses a serious safety risk and limits your ability to move quickly in case of danger.

-  **Onboard cameras must be mounted only in the paddock area.** Do not delay or interrupt the race schedule under any circumstances.

-  **Cameras are strictly prohibited on drivers' helmets.**

-  **Stay aware of your surroundings.** Don't leave your gear unattended, block access on the track, or act in a way that could endanger yourself or others. Please remain calm and respectful at all times.

-  **Absolutely no alcohol consumption while wearing a media vest.**

Do **not** drink alcohol during race hours.

Even if you're off duty or spectating, if you're wearing your media vest, **you must not drink alcohol.**

Remove your vest before relaxing or drinking with your team after your duties are done, in the end of the event.

FLYING MEDIA- NEED TO KNOW

FPV Drone Media Guidelines

- **A designated drone launch area will be assigned** for all FPV drone operators. All flying must be done from this location. Details and map will be shared in the media WhatsApp group on race day. PLEASE CHECK LOCAL AREA RESTRICTIONS IN DAUGAVPILS, THERE IS SOME BY GOVERNMENT!
- **During official race segments on Sunday (e.g., tandems fights), only the event's official livestream drones are allowed to fly.** All other FPV drone operations must pause during these times to avoid interference, if there is other info, organizer publish that in groups, but any way all fly from one place.
- Please be respectful toward fellow pilots—**coordinate flight times, share airspace, and maintain a cooperative, friendly atmosphere.**
- •  For any questions or coordination, use the official **WhatsApp group chat** to communicate with the organizers and other drone pilots.

FLYING MEDIA- NEED TO KNOW

● Important Flying Rules

- If any drone operator **does not use the designated launch area approved by the organizer**, security will be sent to the location **immediately** to handle the situation.
- During race time, **please actively use the WhatsApp group chat** to inform others when you're flying and when you're not.
We need to keep track of **who is in the air**, to **manage safety and avoid overcrowding**.
(And yes—if there's an unknown drone, we might have to consider taking it down! 🤖)
• Please **respect each other**—everyone is equal on the field. We prioritize **good attitude and clear communication** over everything. 💬 🤝

INFO FOR FLYING MEDIA

IMPORTANT

Media Parking Guidelines

Media Parking Info

- Please note that **there is no designated parking area for media** – the only official space is the paddock, which is typically full, and meanwhile we will have all drivers in the paddock, we will not let in media cars, then also parking will be deep inside the grass sections. Friday, the whole main road will be open to simply park, until paddock is fully set up.
- If we notice any available space in the paddock, we'll inform the media group via chat.
- ♦ We kindly ask media representatives to **park outside, along the closed-off street in the start point of the paddock entrance**, which is not accessible to regular traffic due to the event.
 - ♦ **Do not park in the spectator area** or where people stand and watch!
 - ♦ Instead, please park **just after the paddock entrance, a bit further up the road.**
- Thank you for your understanding and cooperation!

MEDIA CENTRE

Media Facilities Information

- Please note that **there is no dedicated media center** at this event. However, there will be a **media meeting point** located **next to the driver registration and race office container**.
- At the media meeting point, you'll be able to:
- Leave some of your personal items (if you're not working directly with a team),
- Request access to electricity, atleast try 😊,
- Grab a drink or a snack,
- Connect and network with other media representatives.
- We appreciate your flexibility and look forward to seeing you at the event!
