## WHAT ARE IMPORTANT THINGS YOU NEED TO KNOW ABOUT SCHEDULE?!

### Friday Practice

- Friday practice sessions are **optional** and participation is entirely at your own discretion.
- Before the event, a short poll will be posted in the official WhatsApp group so we can estimate how many drivers are planning to attend Friday practice.

### Friday Evening Activities

- The city parade and the Opening Ceremony in Daugavpils city centre are **optional**, but we encourage everyone to take part. It's a great opportunity to meet the fans, represent your team and sponsors, and help create an unforgettable atmosphere.

### Driver Registration & Technical Inspection

- **All drivers must complete Administrative Check and Technical Inspection before entering the track for practice.**
- Please plan your arrival accordingly – **no registration and technical inspection = no track access.**

### Arriving on Saturday

- If you are planning to arrive on Saturday only, registration and Technical Inspection can be completed that morning.
- **Please inform the Organizer in advance** so we know when to expect your arrival and can plan the registration process accordingly.

In the season 2026 it is prohibited to use semi-slick or full slick tyres. If you have doubts about tyres you intend to use, please send the questions to <a href="mailto:dableds@gmail.com">dableds@gmail.com</a> to avoid unnecessary problems at the scrutineering. If the driver violating the tyre regulations, scrutineers can eliminate the driver even from line-up.

**IMPORTANT!!!!**** Paddock & Overnight Stay Information**** Overnight Stay**

Drivers and their teams are welcome to stay overnight in the paddock throughout the event.

Please note that the venue **does not provide showers or electricity**. If you require electricity, please arrange your own power supply in advance.

** Paddock Layout**

For this event, the **Street** and **PRO2** classes will share the same paddock area.

- The **PRO2** paddock will have a dedicated, separated section located next to the tyre changing area.
- Teams arriving with campers or motorhomes are kindly asked to park only in the **inside zones** in the car, fully behind race car. Please **do not park along the first row next to the tarmac**, as this area is reserved for team paddocks and provides clear access to the start line.

Thank you for helping us keep the paddock organized and accessible for everyone.

**WE PARK IN FRONT LINE JUST RACE CAR- technical and all other goes behind it!!!**

If there is teams together, they can park together also mixed classes!

** Trailer Parking –FOR 2026**

A dedicated **Trailer Parking Area** will be available and clearly marked on the event map.

Please follow these guidelines:

- Park trailers neatly and efficiently.
- Start parking from one corner of the designated area to maximize available space.
- Do not leave trailers randomly or block access routes.
- This area is **for trailers only**. Race cars, technical vehicles and other transport vehicles are not permitted to park there.

** DURING THE COMPETITION**

Once the competition has officially started:

- If you need to load your vehicle onto a trailer, the car may be driven directly to the Trailer Parking Area after completing its runs. **NO LOADING IN THE PADDOCK, UNTIL EVENT FINISHED!**

Thank you for your cooperation in helping us maintain a safe, efficient and well-organized paddock throughout the event.

## NOISE

### NOISE REGULATIONS & PADDOCK RULES

#### Exhaust Noise Limit

The exhaust system is **not restricted**, provided the vehicle complies with the maximum permitted noise level:

- **100 dB(A) at 4,500 RPM** (+3 dB(A) measurement tolerance),
- Measured in accordance with the **FIA noise measurement procedure**.

Any vehicle exceeding the permitted noise limit will not be allowed to compete until the issue has been resolved.

#### NO DRIVING DURING QUIET HOURS

**No drift cars may be started, driven or tested between 22:00 and 09:00.**

Please also remember:

- Competition vehicles are **not permitted on public roads**.
- Do not leave the circuit or drive your competition vehicle anywhere without prior approval from the Organizer and Race Officials.

#### QUIET HOURS

**Quiet hours are in effect from 23:00 until 09:00.**

- Music in the paddock must be turned down by **23:00**.
- Please respect your fellow competitors and nearby residents.

#### NIGHT-TIME REPAIRS

If you need to repair your car during quiet hours, you may do so **only without creating excessive noise**.

**Engine starts, engine testing, revving, burnouts or any other noise testing between 21:00 and 09:00 are strictly prohibited.**

Failure to comply will result in a **€500 penalty**.

Please note that the entire venue is monitored by CCTV cameras. **Do not test or move your vehicle without permission from the Organizer or Race Officials.**

## TIRE CHANGING

### TIRE FITTING SERVICE – IMPORTANT INFO

We will have a **tire-changing crew** working on-site during the event.

 **Tire fitting is included in the entry fee, and the tire assembly point will be located in the paddock.**

#### Operating Days:

- **Saturday & Sunday** – service will be fully available.
- **Friday** – tire fitting may be available **for an extra fee**. 10 EUR per car, from everyone who drive in that day!

#### Important Guidelines:

- **Do NOT leave your tires at the tire fitting station unattended**, expecting the crew to inspect or manage them for you.
- If there is **no responsible person accompanying the tires**, and someone else drops them off, **the crew will simply mount what they're given**.
- The tire crew is there to **change tires**, not to manage or sort them – **they cannot control your tires for you**.
- If you leave tires at the station, **a team member must be present**; otherwise, the tire crew **will ignore the tires**.

Let's respect the crew's time and ensure everything runs smoothly. Thank you for your cooperation! ❄️

## DRIVER BRIEFING AREA

### DRIVERS' & SPOTTERS' MEETING INFO

#### 👤 Drivers' Meetings:
