ADDITIONAL REGULATION

During the event, it is not allowed for drivers to drift outside the track on the track territory, any time! In the regulations this point is added and have even the possibility of being disqualified.

During the event, it is **strictly forbidden** to drift on the way to the starting zone or after the finish. The first offense will be fined with up to 100 EUR.

Doing a standing burnout is strictly forbidden.

Drivers are not allowed to drift outside their runs

During the event, each driver is fully responsible for their actions on the track and for the safety of themselves and others.

During the event, on the track territory leading from the service park to the start zone, a driver takes full responsibility of any accidents with people, who might be on the track. It is suggested to drive no faster than 10 km/h from the service park to the start zone. If driver is caught with faster speed or drifting from the service park to the start zone, drift organizer can put penalty - 100 eur

The service park will be located in the track territory, where only the race car and service car are allowed to enter.

The maximum allowed speed in the service park is 10 km/h. For the first time, speeding can be punished with a warning or a fine, but if any driver or drivers representative violates this rule with the race and/or service car repeatedly, they will not be allowed to enter the service park anymore.
