And we still have offers from hotels, those you can find there: <https://www.driflatvia.com/dalibniekiem/>

DRIVERS ALSO HAVE THE OPPORTUNITY TO STAY OVERNIGHT AT THE TRACK

If drivers stay overnight on the track, certain rules must be followed:

1. if the driver stays in the trailer, the trailer must be "tucked in" in the participant's parking area, so that he is not visually visible much and that there is no mess around during the competition time, so if you plan to stay in paddock we ask you to put your paddock in track widest place so campers are behind your paddock place, remember that it's mean it's your technical car.
 2. if the teams spend the night in tents, then the tents must also be visually "hidden" in the participant's paddock area, so as not to create an unsportsmanlike view of the drivers boxes and the park as a whole.
- The organizer has every right to ask you to drive the trailer or remove the tents at any time.

ADDITIONAL REGULATION

1. WE WILL USE AROUND WAY IN PRACTICE AND IN QUALIFICATION! IN TANDEM'S INFORMATION WILL FOLLOW, HOW WILL BE DRIVING MIDDLE TANDEM RUNS.
2. During the event, it is not allowed for drivers to drift outside the track on the track territory, any time! In the regulations this point is added and have even the possibility of being disqualified. It's also prohibited to make "popcorn" and time in the event. If you need to do because of technical issues, in start you need to get technical person accept.
3. During the event, it is **strictly forbidden** to drift on the way to the starting zone or after the finish. The first offense will be fined with up to 100 EUR.
4. **Doing a standing burnout is strictly forbidden.**
5. Drivers are not allowed to drift outside their runs.
6. During the event, each driver is fully responsible for their actions on the track and for the safety of themselves and others.
7. During the event, on the track territory leading from the service park to the start zone, a driver takes full responsibility of any accidents with people, who might be on the track. It is suggested to drive no faster than 10

km/h from the service park to the start zone. If driver is caught with faster speed or drifting from the service park to the start zone, drift organizer can put penalty - 100 eur

8. The service park will be located in the track territory, where only the race car and service car are allowed to enter. PLEASE RESPECT THIS, OR WE WILL BECOME REALLY STRICT FOR THIS POINT.

9. The maximum allowed speed in the service park is 10 km/h. For the first time, speeding can be punished with a warning or a fine, but if any driver or drivers representative violates this rule with the race and/or service car repeatedly, they will not be allowed to enter the service park anymore.
