

LATVIJAS DRIFTA KAUSA JUNIORU KAUSS

No 2023 gada sezonas Latvijas Drifta kausa ieskaitei oficiāli tiek pievienot JUNIORU KAUSS.

Junioru kauss norisināsies Latvijas drifta kausa STREET klases ieskaitē 2023 gada sezonas ietvaros.

Junioru kausa ieskaites nosacījumi:

- Junioru kausā piedalās visi sportisti, kuri uzsākot 2023 gada sezonu, vai piedaloties konkrētajās sacensībās nav sasnieguši 18 gadu vecumu.
 - Ja sportists piedalās Latvijas drifta kausa Street ieskaitē pilnu sezonu ar gada licenci, un sezonas laikā sportistam paliek 18 gadi, sportists tāpat skaitīsies arī Junioru kausu ieskaitē.
 - Ja sportists nav izņēmis gada licenci, bet piedalās kādā no posmiem, tad noteicošais faktors ir vai posma norises datumos viņam jau nav 18 gadi, ja nav, sportists automātiski tiks pievienots sezonas kopvērtējumam.
 - Junioru kausu ieskaitē piedalās visi sportisti, kuri brauc gan pilnu , gan nepilnu sezonu Latvijas Drifta kausa Street klases ieskaitē.
 - Junioru kausa sezonas kopvērtējums tiek atsevišķi izvilīts no Latvijas drifta kausa Street klases sezonas kopvērtējuma balstoties uz Latvijas Drifta Kausa Street klases sezonas nolikumu 2023.gadam.
 - LAF drifta komisijas apbalvošanā atsevišķi tiek apbalvota Latvijas drifta kausa Junioru ieskaite.
 - LAF drifta komisijai konsultējoties ar organizatoru pirms sacensībām, un izvērtējot pieteikušo dalībnieku skaitu, ir tiesības Junioru kausam izveidot atsevišķus tandēmus, kā papildus tandēmu ieskaiti sacensībās. Pie šādas situācijas punkti papildus par tandēmiem Junioru ieskaitē braucējam netiks piešķirti, bet organizatoram ir tiesības taisīt atsevišķu apbalvošanu arī posma ieskaitē Junioriem. Precizitātei jāmin, ja Juniors ir nokvalificējies Street tandēmiem, viņš brauc abas tandēmu ieskaites.

From the 2023 season, the JUNIOR CUP is officially added to the Latvian Drift Cup.

The Junior Cup will take place in the STREET class competition of the Latvian Drift Cup as part of the 2023 season.

Junior Cup qualifying conditions:

- All drivers who have not reached the age of 18 at the start of the 2023 season, or when participating in the specific competitions participate in the Junior Cup.
- If an driver participates in the Latvian Drift Cup Street competition for a full season with an annual license, and the driver turns 18 during the season, the driver will also be counted in the Junior Cup competition.
- If the driver has not taken out the annual license, but participates in one of the stages, then the determining factor is whether he is not already 18 years old on the dates of the stage, if not, the driver will automatically be added to the season total.
- All drivers who drive both full and part-time season in the Street class competition of the Latvian Drift Cup take part in the Junior Cup competition.
- The overall rating of the Junior Cup season is drawn separately from the overall rating of the Latvian Drift Cup Street class season based on the Latvian Drift Cup Street class season regulations for 2023.
- In the awards of the LAF drift commission, the Junior competition of the Latvian Drift Cup is awarded separately.
- The LAF drift commission, after consulting with the organizer before the competition and evaluating the number of junior participants, has the right to create separate tandems for the Junior Cup, as an additional tandem entry in the competition. In such a situation, additional points for tandems in the Junior tandems will not be given to the driver, but the organizer has the right to make a separate award also in the stage for Juniors. To be precise, if Junior has qualified for Street tandems, he rides both tandem events.
