

## **Latvian Drift Cup Street class, season 2020**

**This document explains the rules of total point's calculation in English for STREET class based on qualification results and tandem runs results after each stage.**

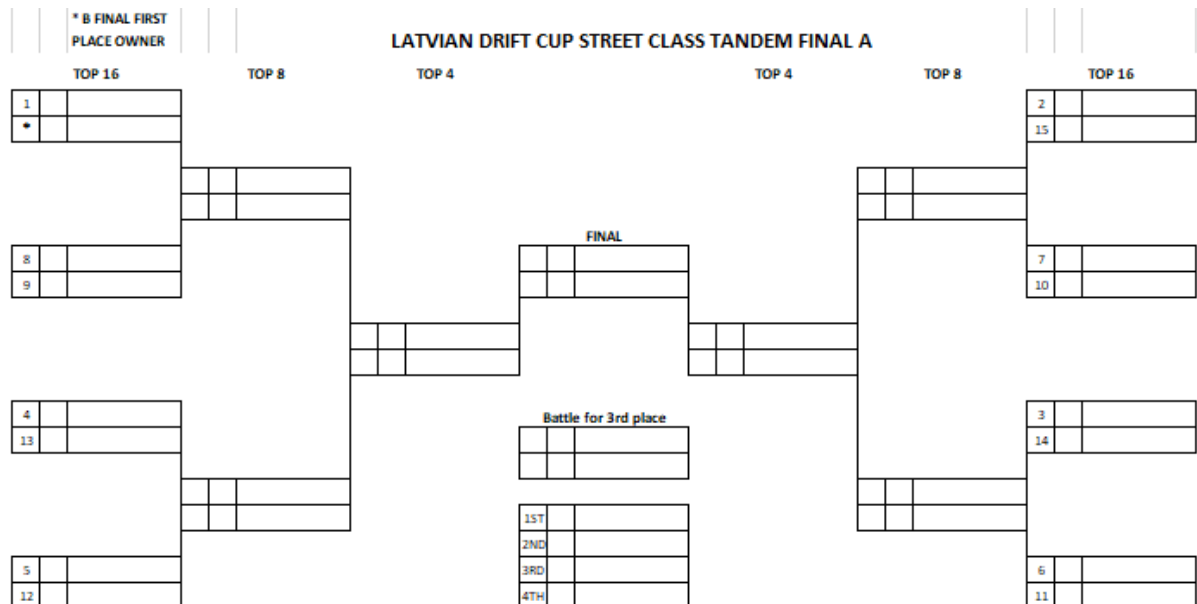

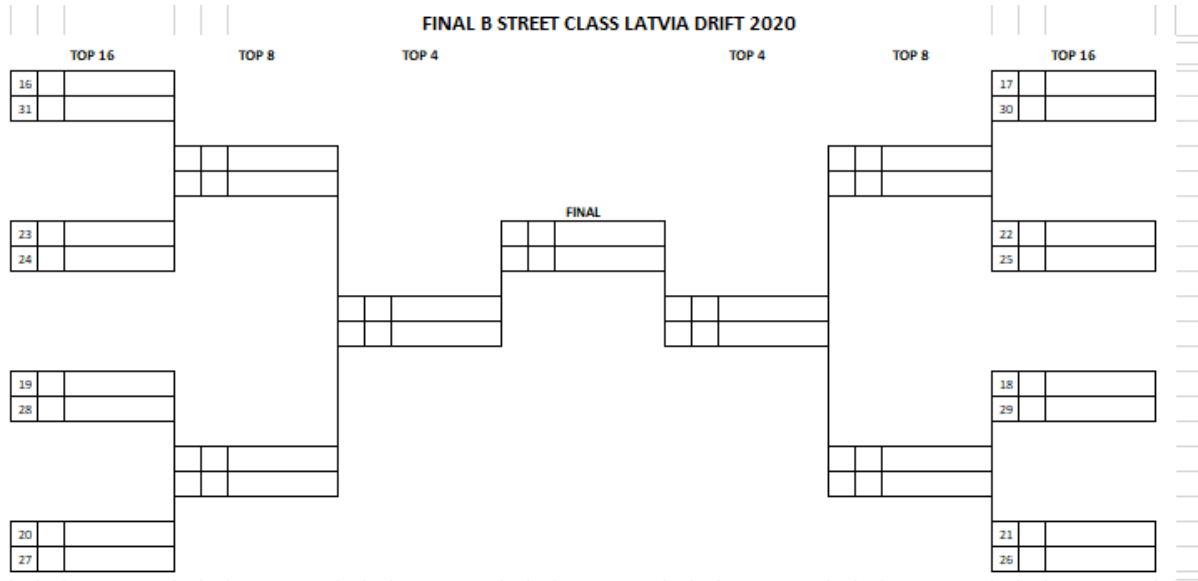

8.3. After each qualification, drivers of the 1<sup>st</sup> till 32<sup>nd</sup> place (if any qualification points are scored) will receive points according to their position in total qualification results based on the table below.

<b>Place</b>	<b>Points</b>
1	12
2	10
3	8
4	6
5 - 6	4
7 - 8	3
9 - 12	2
13 - 16	1
17 - 24	0.5
25 - 32	0.25

8.4. After the tandem runs according to table below, drivers of TOP16 A finals will receive points for 1-16 position based on TOP16 A finals results. Drivers of TOP16 B finals will receive points for 16-31 position. The winner of B finals will receive points as the sum of points for A and B finals together.

<b>Place</b>	<b>Points</b>
1	100
2	88
3	78
4	69
5-8	61
9-16	54
17-32	24

**Tandem bracket:**

- ✓ If time on the competition day allows, the organizers can decide to make tandem runs between 3<sup>rd</sup> vs 4<sup>th</sup> place in B finals.
- ✓ The organizers can decide to make a separate prize giving ceremony based on B finals results.
- ✓ If less than 32 drivers have scored in qualification, the organizers can decide to make TOP8 in B finals, or based on "less than 24 drivers" rule, only TOP16 A finals can be organized for drivers qualified in 1 - 16 place, without extra B finale (other options of tandem runs organization also can be considered).
