Latvia drift offers an unprecedented opportunity, the winner of the Riga stage of the opening drift season will receive a Wild card to the Riga stage of the Drift Masters.

Rules for obtaining a Wild card:

- The driver has a PRO annual license issued for the 2025 season.
- The driver's car complies with the technical regulations, there are no things that would contradict them.
- The driver has no ethical violations, at the same time, the driver cannot have any ethical violations before the stage, because then the wild card may be canceled.
- The driver must take into account that he may be used for various marketing activities related to his victory.

The wild card is awarded to the first place winner in the grand opening stage, with additional information on certain nuances.

1. An driver who wins the competition may refuse a wild card. The driver must notify the organizer within two weeks after the end of the competition that he agrees to the wild card. If the driver does not agree or does not want such an opportunity, he must inform Latvia Drift.
2. If the first place winner declines, then the opportunity is offered to the second place winner, who, upon receiving the offer from Latvia drift, has a week to decide. If the second place winner also declines, then the offer passes to the third place winner, who also has a week to decide.
3. If none of the top 3 places don't want to participate as a wild card, then this wild card will go through the standard wild card distribution and will not be offered to additional drivers in connection with the specific competition.
